STEP 4: Registration This step can be completed anytime during the first 30 days unless the trial version was previously installed and has expired. Install the application*, select About, Register, click on the envelope icon. Separate registrations are required for applications that connect to both an HQ and Store Operations database (ex. SO Tracker).

*RMS Toolkit and Bundle users only need to do this for ONE APPLICATION to obtain a master key for all associated applications.

Please fax completed form to 781-634-6530 or 540-808-2228.
