

System 1 Includes Microsoft® Retail Management System and DRS Hobby Bundle™

System 1 is a dedicated register station computer. Components include retail-hardened PC, cash drawer, receipt printer, 19" flat panel display, keyboard with integrated card swipe, and a laser barcode scanner. Includes remote installation and basic setup support. This system is the perfect complement to an existing network. To use as standalone system, you'll need to add a report printer (optional). Other options include a dedicated barcode printer and touch screen.

\$4895
